

BUILDING HOPE, ONE TRANSACTION AT A TIME!

## CHARITY GIVE-BACK PROGRAM

### Could Your Church Use an Increase in Donations & Offerings?

Even in difficult economic times, Transactions For Hope can provide an on-going additional revenue stream to your local church or ministry ---- Through our unique monthly charitable give-back program...

# FOR FREE!

## CHURCH MINISTRY GIVE-BACK PROGRAM

**TFH can help increase your monthly offerings, simply through the normal outreach of your ministry and also through businesses in your local community.**

1. All of your church product sales, tithes, offerings, or other income which process through the TFH program will automatically generate extra revenue for you. Simply enroll the church, and then designate itself as the recipient beneficiary of the Give-Back program.

### *Additional TFH Revenue-Generating Programs:*

2. Allow us to present the TFH program and it's vision to your local congregation, and businesses represented within your own church can enroll with TFH and designate your church as the give-back beneficiary.
3. If people in your congregation elect to join us as independent agents, they can present the TFH program to other businesses outside of your church congregation (any business anywhere in the United States can enroll your church as the beneficiary).
4. Even the church itself can enroll as an independent agent for TFH, and then receive additional agent commissions and override bonuses on all of the businesses and agents who are working within your team group.
